

1. Bust (Chest) — Measured at the Nipple Line
2. Waist — Measured at the Narrowest Point
3. Hips — Measured at the Broadest (Largest) Point
4. Length, Neck to Waist — Measured Down the Spine
5. Length, Waist to Desired Finished Distance from Floor — Measured down the Spine*
6. Inseam — Measured from the Crotch to Desired Finished Distance from Floor*
7. Crotch Depth — Measured Seated, on the Side, from Seat to Waist

* Whenever possible, measure wearing the shoes that will be worn with the finished garment. Heel height affects the measurement.
